Oregon State University NMR Center
NMR Instrument Time Request Form for 800 MHz Spectrometer

Name

Index No. (A valid index is required prior to booking)

Authorized by

Time block requested (minimum of 1 hour)

Solvent

Nuclei (indirect & direct detected)

Sample: composition, concentration, buffers, salts, etc.

Additional Information: (type of experiment to be run, temp., required lead time, sample stability considerations, etc. ; justification for 800 MHz)

Date Submitted: Telephone/Extension:

Department: Email:

Note: Users are responsible for transferring data off-line ASAP following the experiment.

For NMR Center Use

Date:

Time Started: Comments:

Time Finished:

Charge:

Requests received before 10 am on Mondays will be considered at that weeks scheduling meeting.
For questions contact Dr. Patrick Reardon (919) 475-0113, **reardonp@oregonstate.edu**.
Please hand deliver to the NMR Suite or e-mail as an attachment to **reardonp@oregonstate.edu**.
